

Greensboro Trails & Greenways

Botanical Garden Trails

Open year-round from sunrise to sunset, the gardens were created through a partnership between the Greensboro Parks and Recreation Department and [Greensboro Beautiful Inc.](#)

Arboretum

Surface: Asphalt / Natural

Traffic: Multiple Use

Amenities: Restrooms

Take a leisurely stroll on the 1.7 miles of paved and natural trails that meander through the gardens and open space at the Greensboro Arboretum. Visitors will find seasonal and annual plants, shrubs, trees, and flowers.

Bicentennial Gardens

Surface: Concrete

Traffic: Hiking Only

Amenities: Restrooms

Bicentennial Garden was created to commemorate our nation's bicentennial. Bordered by 1.25 miles of paved trails, the garden's scenic vistas showcase a variety of seasonal and annual plants and flowers, along with sculptures that provide artistic and historic interest.

The Bog Garden

Surface: Concrete / Boardwalk

Traffic: Hiking Only

An elevated boardwalk comprises a half-mile of the 1.06 miles of trail that wind through the Bog Garden. Here, you will find an array of wetland flora, including trees, shrubs, wildflowers and fern species that thrive in wetland ecosystems. The Bog Garden also provides an excellent place for viewing wetland wildlife, such as migratory and indigenous birds.
